

Before You Begin

Congratulations on deciding to register your general partnership in Ontario!

General Partnership refers to an unincorporated business with 2 or more owners. The general partnership may consist of individuals, corporations or other unincorporated businesses.

Before you register your firm name, you can search the ministry's records at Ontario.ca/BusinessRegistry of existing registrations to see if the name of your firm is already being used by another business and where that business is located. Please see the [applicable Notice](#) for more information.

While doing the search, you may consider applying online at Ontario.ca/BusinessRegistry because it is better, easier and faster for you. Benefits of applying online include: a faster response, getting immediate notice that your application was received, option to use a debit or credit card and being able to check the progress of your application online.

If you prefer to complete this form, you must complete it on a computer. The form is dynamic – it changes depending on how you answer questions. You can save the form but can't print it until you complete all mandatory fields – they are marked with an asterisk (*).
